

ENVIRONMENTAL POLICY

Grange Doors Ltd acknowledges that we have a responsibility to the environment, and are committed to a programme of continuous improvements which will reduce the environmental impact of our operations to a minimum.

The specific aims of the Grange Doors Ltd environmental policy are as follows :

1. To introduce and maintain a comprehensive environmental management system which will form an integral part of our existing company culture of commitment to continuous improvement.
2. To commit to continual improvement of our environmental performance, and to comply fully with all relevant legislation, regulations and other requirements to which we subscribe.
3. To minimise the impact of our operations on the environment by means of a programme aimed at environmental performance improvement. Specifically, objectives and targets and other controls are established to manage and improve the following areas of our operations:
 - *Utility use*
 - *Waste Management*
 - *Influencing our Suppliers, Sub-Contractors and Tenants*
4. In line with our proactive attitude to staff training and development, we will educate and motivate all employees to behave in an environmentally responsible manner.
5. To prevent pollution in all parts of the company
6. To promote our commitment to environmental responsibility with our contractors and suppliers, including through making this policy available to all company stakeholders and the general public upon request.

This policy will be the subject of regular review.
